Objective: Seeking a Data Analyst internship where I can apply my skills.

Education

Nanyang Technological University, Bachelor of Business (Analytics), Year 3

Current GPA: 3.6/5.0

Experience

Retail Assistant, FairPrice (Part-time, Jun 2024 – Present)

- Responsible for restocking shelves and helping customers.
- Handled cash register during peak hours.
- Trained 3 new part-time staff on store procedures.

Marketing Intern, Local Bubble Tea Startup (Internship, May 2025 – Aug 2025)

- Helped run the company's Instagram account and posted content regularly.
- Analyzed sales data in Excel to see which drinks were popular.
- Assisted with a promotion campaign that increased weekend sales.

Projects

NTU Business Analytics Capstone — Customer Churn Analysis

- Used Python and pandas to clean a dataset of telecom customers.
- Built a logistic regression model to predict churn.
- Presented results to class.

Skills

Excel, Python (pandas, matplotlib), SQL (basic), PowerPoint, Canva

Activities

- Member, NTU Business Analytics Club
- Volunteer, school open house (2 years)
